CONGRESSIONAL & INTERGOVERNMENTAL

Rep. Xavier Becerra (D-CA-34): Brent Maier coordinated and participated in a call today with Irvin DeLaO and Johanna Montiel in the District and DC offices of Congressman Xavier Becerra to discuss the Exide facility in Vernon, CA. Congressman Xavier Becerra had a previous call with Administrator Gina McCarthy on October 28, 2015. During that call the Congressman inquired as to having the EPA take a look at the case of Exide to see if it was possible to do an assessment report and see what other ways the EPA may be able to help with the ongoing cleanup action lead by DTSC. Region IX participants in the call included Enforcement Division's Deldi Reyes, Superfund Division's Dan Meer, Land Division's Tom Huetteman and Barbara Gross. We discussed EPA's role and past involvement/actions at the Exide facility.
